[57] CLAIM

The ornamental design for a portable computer, as
shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the portable computer
showing my new design, in closed condition;
FIG. 2 is a perspective view thereof with the telephone
line communication unit removed from the housing and
in operable condition;
FIG. 3 is a perspective view thereof with display with
the cover opened and the display and keyboard in oper-
able condition;
FIG. 4 is a front elevational view of the portable com-
puter in a closed condition;
FIG. 5 is a rear elevational view thereof;
FIG. 6 is a right side elevational view thereof;
FIG. 7 is a left side elevational view thereof;
FIG. 8 is a top plan view thereof; and
FIG. 9 is a bottom plan view thereof.
The telephone handset is shown in broken line for illus-
trative purposes only.
